## WHY GERMANY?

Exploring Germany and delving into its rich culture is a transformative experience for many reasons. Learning the German language opens doors to a vibrant world of literature, philosophy, and art. Germany's history is an amazing journey, from the Berlin Wall to original old castles. The country's commitment to sustainability and innovative technology is inspiring. Furthermore, the diverse landscapes, from the scenic Bavarian Alps to charming villages along the famous River Rhine, offer stunning natural beauty.

Most importantly, the welcoming and culturally diverse German society ensures a warm embrace for those eager to explore this nation's multifaceted culture, making it an excellent destination for cultural immersion.

The German Lions welcome about 250 participants each year. The 20 German Lions Youth Exchange Chairpersons, more than 70 sponsoring Lions Clubs, other local volunteers and the Lions Foundation Germany work hand in hand to make the youth's stay in Germany unforgettable.

In this brochure you will find great adventures. From more nature- and city-related excursions on Page 5, to more culture-focused trips on pages 6-7!

The message applies for all of these great camps: You're welcome in Germany!

For nature enthusiasts, the heath is a paradise. It is a region of extraordinary natural beauty. The cultural heritage of the region with charming historic towns is fascinating to explore.

## INTERNATIONAL LIONS YOUTH FORUM 2024

### 15 DAYS FOR 17 GOALS: EXPLORING THE UN SUSTAINABLE DEVELOPMENT GOALS

As every year the German Lions will host 20 young people in one of their districts in the scope of their International Summer Academy. The event will deal with the development of the topic, creativity, politics, and culture.

The LYE Summer Academy 2024 will be held in the very beautiful Lüneburg Heath. A perfect surrounding to experience all 17 UN Sustainable Development Goals. You will learn them through thematic workshops, lectures, field trips and hands-on activities on site at the Seminar Center, at the University of Lüneburg, in Hamburg, Hanover and Bremen. The program comprises exciting lectures with experts, discussion rounds with the group and the Lions, as well as many fun excursions and activities.

You are not only a guest, you are embedded. Choose one goal and prepare a 15-minute-presentation on an activity of a Lions Club that contributes to the achievement of this goal. Send the title of this presentation with your application.

A passion to explore

There are no words that can describe  
what I was able to experience in Germany.  
The warm welcome, the excursions, the  
other young people. There were only tears  
once. Finally, about the end of the camp  
and the fact that we all live far apart. Thank  
you Lions Clubs for many fresh impressions  
about Germany.
