

## General conditions

**The stay in Denmark is generally paid by the Lions Clubs in Denmark, whereas the sponsoring Lions Club of the YCE-Students is responsible for insurance and travel costs to and from the home stay family and camp as well as reasonable pocket money.**

Youth Camp & Exchange

## Lions Denmark 2022

**On behalf of Lions Denmark – MD106 – is it a great pleasure to present the Danish Youth Camp & Exchange programme.**

In this summer programme there will be 3 exciting Youth Exchange camps, with host family stay before the camp.

Each of the Camps will expose different parts of the Kingdom of Denmark with its history, fairy tales, nature, energy and above all – friendship and hospitality.

We offer the YCE-students from all over the world a two weeks international youth camp.

The YCE students from countries in Europe and the countries around will all be offered one week stay with a host family.

The YCE-students from other continents are offered a two weeks host family stay in Denmark.

There might be expenses for domestic transportation.

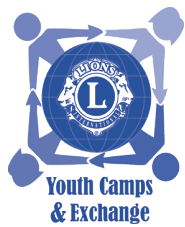

We hope that you will take part in our Youth Camp & Exchange programme by sending mature, open-minded young people, 17 – 21 years old, who have not been on an YCE exchange before and are prepared to enjoy and benefit from the idea in Lions Clubs International objective no 1: "To create and foster a spirit of understanding among the peoples of the world".

We look forward to receiving YCE Students from your country.
