

Living in harmony with nature

Two weeks Youth Camps in Reykjanesbær in July 2025.

No homestay.

Theme of the camps is the nature and environmental issues.

Field trips in unique landscape and natural beauty.

What is going on in Reykjanes, how is day to day life in volcanic environment? Seminar and education regarding the nature and the environment. Talk to young Icelanders about the issue.

Reykjanes, a home of 30.000 people.

Six active Lions Clubs.

Multi cultural town.

Great swimming pools/Waterworld.

International airport on site.

Welcome to Youth Camps in Iceland in July 2025.
